## UPHOLSTERY FABRICS

**POLYESTER CANVAS** – This thick fabric is perfect for making strong interior upholstery. It's durability allows it to be stretched whilst holding its retention which is perfect for making canvas's to decorate a home.

**POLYESTER SUEDE** – This fabric has a beautiful feel with a luxurious look for all your interior upholstery. Perfect for pillows and fancy dining chair covers.

**SUPERTWILL** – This strong matt weaved look fabric is ideal for beautiful clean furnishings. Its durability and high quality weave makes for a stunning feature in anyone's home.

**WARATAH** – Strong matt smooth looking fabric, has a tight weave which gives it a flatter surface. Comes in a slightly lighter weight version called **BANKSIA**. This is perfect for such things as feature cushions and dining chair cushion covers.

**SUPREME SATIN** – Just like satin, it is strong and smooth. Ideal for any home furnishings projects that require the sophisticated satin look.
